Site Remediation/Technical Reports

Dear Mr. Zell:

On May 1, 2017, your completed Site Remediation Program Application and Services Agreement was received by the Illinois Environmental Protection Agency ("Illinois EPA"), together with an advance partial payment in the amount of \$500. The Illinois EPA project manager assigned to provide review and evaluation services for this project is Jeff Guy. All routine project communications, correspondence and documents should be directed to the project manager to ensure the quickest possible response. Mr. Jeff Guy is available at (217) 785-8724 or by e-mail at Jeff.Guy@illinois.gov. Enrollment information on this site and all others entered in the Site Remediation Program is available at <http://epadata.epa.state.il.us/land/srp>.

In accordance with 35 Illinois Administrative Code Part 740, Section 740.210(c)(4), the Remediation Applicant has agreed to pay any reasonable costs incurred and documented by the Agency in providing review and evaluation services. If you prefer to remit these payments by electronic funds transfer, please complete the attached Electronic Funds Transfer Request Form and submit it to the address listed on the form. Once the information on the form is reviewed and approved by the State of Illinois Comptroller's Office, a confirmation will be returned to you.

Welcome to the Illinois EPA's Site Remediation Program. We look forward to completing this project with you and extend our full cooperation and assistance. Please visit our web page at www.epa.state.il.us/land/cleanup-programs for additional information concerning the Site Remediation Program.

Sincerely,
